

Mastervac MV 07 eco

Specifications:

Energy efficiency	B
Usage	DRY
Motor Power Watt	900
Water lift mmH2O	2260
Airflow m3/h	158
Tank capacity L	12
Cable length m	8,5
Frequenz Hz	50-60
Voltage V	220-240
Weight Kg	5.8
Dimensions (LxWxH)	400x400x330
Sound Pressure Level dB(A)	63

Features and Benefits

- Manufactured with 70% recycled plastic
- Stands on its end when cleaning stairs
- All filters are replaceable without tools
- Interchangeable main filter with cartridge

- Innovative design to decrease noise in vacuum motor air passages, including special sound absorbing material on air exhaust
- Rubber covered wheels, reducing noise on tiled and uneven floors
- Ergonomic handle with integrated cable wrap: easy to wind up, includes clamp to fix the plug
- The machine is equipped with a parking position
- Bumpers protect the machine from damages and surrounding obstacles
- Lever hooks are extremely flexible and are resistant to any kind of torsion
- Reinforced cable to reduce damages due to misuse

Included Accessories

- Highly resistant flexible hose
- Nozzle with reduced sliding force
- Extension tubes in chromed steel 32 mm diameter in line with market fittings
- Tool holder optional kit can contain up to 3 accessories and includes parking position.

Optional Accessories

- Carpet cleaner plug/brush connects machine to electrical carpet brush
- Detachable cable: means there's no need to call out engineers to replace faulty cables

We inspire,
we challenge,
we care

Common accessories for tub vacuum cleaners
