Water lift (mm):	2180
Weight (kg):	7
Paperbag:	Yes
Capacity (litres):	27
Airflow (litres per second):	57
Construction:	ABS

Features and Benefits

- 2 Year motor warranty
- 3 gallons water pick up
- Light to use

- Tub vacuum cleaner for professional use that survives heavy constant use. However, on the rare occasions where maintenance is needed, spare parts can be replaced easily without resorting to service engineers. For example:-
- Interlocking tubes that can be pulled apart
- Replacement hose end connections
- Simple cable access
- Wet or dry vacuuming
- No damage done if water is accidentally picked up while in dry vacuuming mode
- Powerful 1200 watt 2 stage by pass motor
- Dual purpose machine with 15 litre water capacity
- Internal mesh filter to protect motor
- 2 year motor warranty

Included Accessories

- Suction hose with hand grip
- Two extension tubes
- 40cm width floor tool with brush suitable for hard floors
- 40cm squeegee floor tool
- Crevice nozzle
- Dusting brush
